# POWER OF DUROOD SHARIF

Allah Almighty states in Al-Quran “Allah and His Angels send blessings on the Holy Prophet ﷺ. O you who believe! Send blessings (Durood Sharif) and Salutations (Salaams) on the Holy Prophet”. (Surah Al-Ahzab 33:56)

Durood Sharif is a blessing beyond our comprehension. It is the highest and most commendable act in Islam, bringing forgiveness of sins and an increase in status in this world and the next.

Today man is encompassed by troubles and worries. We have become slaves to our desires and have weakened our link with the Holy Prophet ﷺ. The solution to this is recital of Durood Sharif which brings the individual closer to the Holy Prophet ﷺ in love, thereby freeing ourselves from misfortunes and worries.

In compiling Power of Durood Sharif, it is hoped that the reader is encouraged to read Durood Sharif bringing success in this life and the Hereafter.
